

# 5 STEPS TO NAV SUCCESS

HOW TO FIND THE RIGHT MICROSOFT DYNAMICS NAV PARTNER FOR YOUR BUSINESS

## WISHLIST

Take some time to understand what you need from an ERP partner and rank points from "must-haves" to "desirables".

STEP  
01

STEP  
02

## RESEARCH

Take to the internet, get recommendations and compile a list of partners that meet your basic requirements.

STEP  
03

## DISCUSSION

Get in touch with each partner and discuss how you could work together, what they can offer and which of your requirements they meet.

STEP  
04

## DECISION

Discuss internally and identify the partner that meets the majority of your most important requirements.

STEP  
05

## MATCH

Congratulations! You've found your perfect NAV partner. Have a mini celebration.
